

PERFORMING ARTS PROGRAM

THE PROGRAM

Pre-Performing Arts (B-Nerdz Jr.) and Performing Arts (B-Nerdz), will be focusing on ALL facets of the arts. From training in various Dance Styles to Theatre training which encompasses; Voice and Body, Theatre and Performance Technique, Stretching and Strengthening, Anatomy, Rhythm and Beat. This program provides all the training skills needed for your children in becoming all rounded performers.

OUR MISSION

To ignite a love for the arts in the hearts of each student involved in the training experience. The program has been designed to boost each individuals' self-poise, their confidence as well as their performance in an encouraging, workshop-type environment. We do this by incorporating our Core Values as a foundation to everything we teach, in each class, each performance and/or outreach. Our goal is to get them to a place where they not only begin to love who they are but who they were created to be. Training each child in their area of strength, while maintaining a standard of excellence. This program brings exposure through community outreaches, productions, performance opportunities, fundraising events, dance conventions and more!

This program is a privilege, not a right. As B-Nerdz team member you represent our organization. Conduct in the classroom, and community should not deviate from the regulations and code of conduct set in our program.

Desire, Determination and Dedication are expected from Team members. Collaboration is what we strive for!

CODE OF CONDUCT

BE APPROPRIATE

We expect our performers to uphold appropriate behavior at all times. If your actions are not deemed appropriate and do not coincide with our program guidelines you will be denied participation on the Team.

BE UNIFIED

Having a positive and uplifting Attitude is important. If you are gossiping, tearing down others, or in any way causing conflict among team members your participation on the Team will be suspended. Please communicate any issues directly with your coach or director.

BE DEDICATED

There is a level of commitment required to be a part of the Team. You must have a desired level of commitment not just for yourself, but for your ENTIRE team. Your team mates depend on you to be at every practice and performance. If at any time you are not doing your part as a productive member, you will be suspended from the Team.

BE ATTENTIVE

We expect our performers to listen and follow direction. If the coaches have to constantly redirect disruptive behavior you will be suspended from the Team.

PRACTICE ATTIRE

Dancewear is required to participate in ALL practices.

- Students wearing skirts NEED to have shorts/leggings underneath. Leotards must be worn with tights.
- Hip Hop, Fitness classes - Proper dance/well supported shoes are mandatory. NO exceptions. (Sandals are not dance shoes)
- Theatre technique classes - students should wear comfortable clothes, that they are able to move freely without being constricted.
- Classical Technique and Contemporary Classes – Socks, Bare feet, foot underwear, “Paws”
- Tap - Capezio/Bloch tap shoes are the preferred brand.
- Knee pads are HIGHLY recommended. We only have one pair of knees. We need to protect them.

- School uniform is NOT dancewear. A change of clothes is required.
- NO inappropriate clothing eg. booty shorts, crop tops etc.
- NO jeans.

Water bottles and sweat towels are MANDATORY

PERFORMANCES / EVENTS

On your performance schedule there is a CALL TIME and an estimated PERFORMANCE TIME. Students must be at the performance well before performance time. "IF you're on time, you're late!"

Students must arrive dressed in full uniform, hair and makeup complete and ready to perform. If the student fails to show up performance ready at the arrival time, the student WILL NOT PERFORM.

COMPETITIONS/ CONVENTIONS

Being selected to compete and perform with the team is a privilege, not a right. The purpose of this team is to collaborate and develop an appreciation for the Arts. If you are cut from a competition/convention/production *please refer to the reasons listed below under the heading "NON-PERFORMERS"

- Performers must have a sharp knowledge of all routines/pieces in order to be considered for an opportunity to participate.
- Performers are required to learn and practice ALL routines. It is solely at the discretion of the instructor as to which students will perform/ compete which routines. There are absolutely no guarantees when it comes to which students will perform which routines. It is purely based on how they perform in class time and rehearsals.
- Team members must stay with the team during all practices, performances, and conventions unless given permission by the instructor to do otherwise!

FUNDRAISERS

We try to alleviate cost by doing fundraisers for competition fees, costumes, makeup and accessories. Fundraisers are to benefit the TEAM. In order to do this successfully, we need the support of the students and the parents. It's mandatory that all students attend fundraisers. Each student will have their time logged as if "clocking in" for a job. If a student does not work his/her fair share then he/she does not get credit for the funds that are raised. If there is a remaining balance due in your account after fundraising and the initial fee, it is then the responsibility of the parent to make payment. We will notify parents one month before payment is due as to where your account stands. You can opt to pay out your account if you choose not to participate in fundraising.

*NOTE: We TRY to fundraise as much as possible but you may still have a balance at the end.

PRACTICES

We have a CLOSED DOOR POLICY at ALL practices. It is our experience that students are better focused without the distraction of parents, siblings, and friends. We ask that you please respect this.

DATING & FRIENDS

There is NO dating allowed between Team Members!

Friends, girlfriends or boyfriends are not allowed at practices, behind the scenes at showcases and events. If you have a girlfriend or boyfriend supporting you at an event, public displays of affection (kissing, holding hands and lying on each other) is not permitted.

PARENTS / APPOINTMENTS / RIDES

It's important that rides for students are prompt. Students are to be dropped off for practice NO EARLIER than 20 min. before practice time. Students need to be ready for class 5 min BEFORE it starts. Please do not pull an instructor or student out of class while class is in progress. If you have a scheduled appointment and your child needs to leave early, please write a note and have it handed to the instructor before class. Please wait until the class has ended in order to address the instructor/student.

Rides are the responsibility of the parents, not the instructors or other members of the Team. Please be responsible for your child.

Note: Bus will run on purple dates to transport from Blue Zone (PSL) to Green Zone (Ft. Pierce)

"If you are ON TIME, you're LATE!"

GRADE POLICY

Members of the team must be grade eligible. School class work is the most important facet of your education. To be eligible to participate on the Team, you must maintain passing grades in school. School comes first. If a student is having trouble maintaining academic quality, the Team will be dropped for the student or they may take an academic leave of absence. Student will not be permitted to join their team until grades are brought back up to the requirements!

PRACTICE ETIQUETTE AND BEHAVIOR

Three verbal warnings will be given for any unruly behavior in practice. This includes talking, non-participation or any behavior disruptive to the team/instructor. A student will be asked to leave practice in lieu of any other warning. After these warnings, a meeting with the parent and the child will be held to discuss the future in the team/program.

DISCIPLINARY ACTION

Failure to follow the Team Code of Conduct may result in but is not limited to the following actions:

- Extra practice time / conditioning
- Sitting out a practice, performance
- Suspension from team
- Removal from team

****Depending on the infraction, we reserve the right to immediately dismiss the student from the team!

ATTENDANCE

Only the reasons listed below are excused absences from any practice or activity.

- 1.) Personal illness or accident verified by a doctor's note or school absence list.
 - 2.) Funeral
 - 3.) Special school activity - Must be discussed and approved by the coach in advance
 - 4.) Vacation - with parent's note ahead of time. PLEASE PLAN YOUR FAMILY VACATIONS ACCORDING TO THE YEARLY CALENDAR.
- Please note that even an excused absence could cost you a performance depending on the date and length of the absence.
 - A team member who is excused from a practice or event will not be permitted to perform with the team until he/she knows the routine to the instructor's satisfaction.
 - A student CANNOT miss more than 5 practices throughout the year!
 - It is required that each student and a parent/guardian be present for all parent meetings.

UNEXCUSED ABSENCES

- Work - you have plenty of notice to rearrange work schedules.
- Couldn't get a ride, was grounded, had homework, or didn't know about it.
- Or anything else not listed under excused absences

These excuses all come down to one word, RESPONSIBILITY.

If a member knows in advance that they will be late or will be missing a practice/performance, they are to advise us immediately. If you are going to miss practice, you must call ahead of time. If leaving a message, please speak slowly and clearly. Remember to treat practice as you would a job. You wouldn't just not show up.....same thing with practice! Scheduled practices are MANDATORY! Attendance is a factor in whether or not you are able to perform.

Tardiness is also a consideration. Team members must be present at every mandatory practice for the entire practice time in order to be eligible to participate in upcoming events. If you miss a practice you must make up the material you missed BEFORE the next practice. IT IS YOUR RESPONSIBILITY TO CATCH UP! We will not hold up practice to catch you up on material missed. Unfortunately, when you miss a practice, it affects the rest of the team more than it affects you because they are the ones who have to go back and relearn/re-fix the things you missed. At times parents do not realize the extreme commitment that we require. Nails, hair, birthday parties, etc. are NOT legitimate reasons to miss practice. If we want to be considered in the same way a sport is we must act in accordance. A football player would not tell his coach he was missing practice for a birthday party!

NON-PERFORMERS

The following reasons determine whether or not a student will be allowed to perform. There will be NO exceptions to these factors;

- Lack of knowledge of a routine.
- Lack of ability to perform at required skill level for said routine/piece.
- Attitude not promoting teamwork/sportsmanship.
- Lack of dedication/commitment being shown toward the Team.
- Lack of improvement shown over time in a given routine.
- Disregard for the code of conduct and the rules and guidelines governing this organization.
- Absences the week prior to a performance. Tardiness is also a factor.
- Missing more than the allotted 5 practices.
- Gossiping, or in any way causing conflict among members on the Team.
- Not being grade eligible.
- Students that are on suspension/probation.
- Not being in proper uniform to perform and performance ready by the arrival time listed on the performance sheet.
- Not being in attendance for required parent meetings/information sessions.
- Not providing the required amount of volunteer workers
- A student will not be allowed to practice/perform if an injury occurs for which that dancer is unable to perform at their normal level.

Students will not be allowed to participate until written clearance is obtained from a doctor.

*****All Members Are Required To Attend All Team Functions Whether They Are Performing Or Not!**

Bottom Line:

If a student works hard, comes to practice, behaves themselves and achieves the performance level required, THEY WILL PERFORM. Just like parents need a discipline system if their child misses curfew or doesn't take out the trash.....we need a system to insure that dancers carry their weight and strive to improve. Each time we compete/perform we will re-access skills and make a determination of who will perform. At times student may be temporarily "benched." Parents are expected to be supportive of our "cut" system as it has allowed us to achieve the high level of excellence which has become standard for our program. Students must EARN their way onto the performance floor. The Coach is always up front with students as to where they stand. Parents are welcome to discuss concerns with the instructor.

REFUNDS

Please be advised that any deposits/money put toward fees, costumes, t-shirts, registration fees, or any other item is NON-REFUNDABLE. This is regardless of whether a Team member is suspended from the team or not!

STUDENT RESPONSIBILITY CONTRACT

Students are asked to understand that placement is based on ability, skill level, attitude, ability to handle constructive criticism, attendance, and personal motivation to be a better performance. Students are placed on the team and in the routines in which the instructors feel they will work best with in practice and in the community/at conventions.

- Are expected to understand that being chosen as a team member requires constant effort, discipline, and is a yearlong commitment.
- Are expected to be on time and prepared for all practices. Tardiness consequences will vary by each instructor, but will be enforced.
- Are expected to bring appropriate dress code and shoes to all classes. Dress code consequences will vary by teacher, but will be enforced.
- Attend all practices scheduled for the team.

If you are not there, the whole team suffers. If you miss class, you are not improving your skills, and you will fall behind the other dancers on the team. If you miss a choreography class, you are not learning the routine which would require re-teaching parts of the routine because you weren't there when your teammates learned it. You let your teammates down when you are not there. It affects everyone's ability to give their best performance when someone is out of sync. A team is only as strong as its weakest link. Technique classes are the most important classes to attend.

- Please get approval from the specific instructor beforehand. Choreography classes can't be made up. A performer that has 5 or more absences from choreography or core classes that are not made up, may be removed from the team. Extenuating circumstances such as injury, illness, hospitalizations, etc. will be handled on a case by case situation.
- Are expected to clean up the dressing areas and studios at any point in time trash is visible.
- Only water or sports drinks will be allowed in the dance studio rooms. All other food and drinks must stay in the dressing room.
- Are expected NOT to have cell phones during class time, they will be handed in upon arrival. Messages can't be checked between classes.
- Are expected to maintain the highest standard of conduct and sportsmanship during practice and performances/conventions.
- Are expected to respect all instructors/staff and follow all instructions during practice and performances.
- Are expected to respect all dance team members; dancers will not belittle, harass or abuse any fellow team members at practice, outside activities or conventions. .
- Are expected to strive constantly for high academic achievement. Instructors may periodically ask dancers for a copy of their progress reports or report cards.
- Are expected to communicate important issues that are threatening the team, individuals or Club Pure as a whole.
- Are expected to follow basic competition rules...
- Students must wear team apparel on stage when receiving awards.
- Hair and make-up must remain stage ready during award ceremonies.
- Use good manners at conventions/outreaches/performances.
- Always encourage and be friendly with other dancers and parents at competitions/conventions etc.
- Always practice good sportsmanship. Win or lose!! Good sportsmanship is as important as a great performance.
- Rude behavior of any kind will not be tolerated! And be especially kind and helpful to your teammates.
- They are the only people you have to depend on once you hit that stage.

IMPORTANT Etiquette and PURE STUDIO RULES

At our studios our primary goal is for your children to have fun while learning performance technique and strong work ethics. We expect all students to show respect to themselves, each other and all instructors. You will see our instructors enforcing the following rules:

- Be prepared for class. Proper dress code is required for all dance classes.
- Hair must be pulled up.
- Use bathroom prior to class.
- If you're on time you're late *be ready 5min prior to class time.
- Do not have frequent class absences.
- No cell phones.
- No gum is allowed in class.
- Be respectful and kind to instructors, peers and staff.
- Do not talk during class unless you are asking a question.
- Practice safe behaviors for yourself and your classmates.
- Be willing and teachable. Put positive energy into each class.
- No leaning, lounging or hanging on the ballet bars. **NO SITTING IN CLASS!**

CONTINUED...

- Clap at the end of class to thank the instructor.
- If late, ask permission to join class.
- If injured, tell instructor prior to class...work slowly & carefully or observe.
- If ill, do not come to class.
- If you must leave early, notify instructor prior to class.
- When leaving the studio, students must remove dance shoes and cover-up their dance clothes or change prior to leaving. Do not go outside during cooler weather without a warm-up. It is important to control the cooling process to avoid injury.
- No running, yelling or rough playing at the dance studio.
- Help keep your studio clean and tidy. Please throw away all trash. ALWAYS leave a place better than you found it
- No gossip, obscene language or inappropriate conversations are tolerated during class or around the studio.
- No gum, food or drink of any kind (except water) is allowed inside the studio rooms.
- Water bottles and sweat towels mandatory for every class and dance shoes for that class.

For age 13 and up:

- The use of alcohol and/or drugs is strictly forbidden
- As an older dancer and role model, inappropriate conversations are not allowed in front of younger dancers. It is the dancer's responsibility to manage their time so that dance, schoolwork and other outside activities do not conflict. We believe that good dance etiquette is of equal importance to good performance technique.

PARENT RESPONSIBILITY CONTRACT

Being a team member of B-Nerdz is a commitment and comes with certain responsibilities for every student and parent. These commitments and obligations (listed below) and are expected to be followed when you accept the offer to join one of our teams.

Parents:

- Are expected to talk about this contract with their child and help them to follow the rules and procedures throughout the year.
- Are expected to participate in conventions, performances, practices etc. by watching, cheering and supporting the efforts of all team members. Also expected to encourage good sportsmanship. Remember a different day, a different set of judges and the results could have been entirely different, but no matter what, don't stop trying.
- Are expected to maintain a professional relationship with the instructors.
- Are expected to communicate important concerns - When, not "if", we do something that upsets you, please know that we are only human and will make mistakes. Please come and talk to us about it first. Discussing studio issues or concerns spirals into cliques of parents which spiral into dancer cliques, which ultimately will kill a great team. So please remember: Not "if", but "when" we upset you, please come tell us about it.
- Are expected to exhibit good sportsmanship and refrain from verbal abuse of students, instructors, judges, opponents or spectators.
- Are expected NOT to coach or otherwise instruct students during practice or conventions/performances etc.
- Are expected to AVOID 'Reply All' email chains with concerns regarding the team and shall interact directly with the instructors to address any concerns.
- Are expected to have your child on time at all practices scheduled for the team. And are expected to notify the instructors when a student is unable to attend a scheduled team activity. If a student misses a core class he/she must arrange a "make-up" class in the same style of dance within 2 weeks of the missed class. Please get approval from the specific instructor beforehand. Choreography classes can't be made up. A dancer that has 5 or more absences may be removed from the team. No refunds will be given if a dancer is removed from the team because of absences. Extenuating circumstances such as injury, illness, hospitalizations, etc. will be handled on a case by case situation.
- Parents are expected to purchase the appropriate dance attire needed for class including the proper shoes.
- Are expected to be honest with your kids about their abilities. Don't ever compare them to other team mates. Everyone has their strengths and weaknesses, but discovering how to work together is one of the most important things you want your child to learn from being on a team.
- Are expected to stay current on all financial obligations. These expenses include but are not limited to costumes, conventions, competitions, tuition, music, travel and recital fees. If your dancers account is in default 30 days before competition registration is due, the student will NOT be registered and will be pulled from the routine.
- Are expected to drop off/pick up dancers in a timely manner. Students should be dropped off no more than 30 minutes before class. If you have an emergency that arises and you need to drop them off more than 30 minutes, please call ahead.
